Why is there so much destruction going on around us?
What can we do to survive in this harsh world?

YOU ARE LOVED AND NEEDED!

Life is not some freak accident. Nor could it be the invention of mindless atoms and molecules.

You are wonderfully made, and everything around us supports life as it is!

We are the result of a great creation by an intelligent, and caring Mighty One!

QUESTIONS ABOUT THE LETTERS

Q: What is the School of Letters?

A: The School of Letters is a series of lessons that guide you into the Kingdom. The Kingdom is where you find true peace.

Q: What is the reason for the School of Letters?

A: To heal the nations.

Q: Do preachers and priests teach these subjects?

A: Most refuse to break away from the traditions of men. However, it is written that the truth will set us free!

Q: Can we understand and master these subjects?

A: Yes, all those in the School of Letters are raised up gaining insight and wisdom that is not afforded to the masses. This promotes a stronger bond with Yahuah, and Yahusha Messiah! We better understand our place as His children, and we share in the inheritance of Yahusha Messiah!

John 10:16

STARTLING FACTS ABOUT THE BIBLE!

Did you know that the Heavenly Father has a Name? **Yahuah**-The surprising truth is that the name of the Creator of the universe is found **6,823** times in ancient Bible text, yet it was concealed by Bible translators who believed it was too holy to use. But the Bible challenges you to discover and use the only true, personal Name of the Creator and the Name of His Son, our Savior the only Name that gives salvation! Read some startling facts right out of the pages of your Bible. "Yah" is the last part of the word "Hallelu Yah." Hallelu Yah is the most ancient of all words of praise and means, "Praise YAH."

Our Messiah Yahusha is above all and over all that is, and all that shall ever be. Blessed is the name Yahusha! The name Jesus refers to the son of Zeus, which is handed down to us by the Roman ruler Constantine.

The Real Name of Messiah!

One of these two is of recent origin, and therefore a fraud:

JESUS? OR YAHUSHA?

"YAHUSHA" means "Yah is our deliverer" in Hebrew. "JESUS" seems to convey "hail Zeus" in Greek, and "the horse" in Hebrew (HE-SOOS).

Both cannot be true. Since there was no letter "J" on the planet Earth until around 1530 CE, one of these two is already exposed. To say "**we speak English**" isn't a defense of anything, since the "**only name**" given in which there is salvation is a Hebrew Name, not an English one (Acts 4:12). The letters used to convey the correct sound of the Name to call upon are in English. Neither of the two originated in English. **Yahuah** does not change, so the Name of our Messiah would not undergo alterations over time, unless another being tampered with it - such as an enemy! We know we must overcome the deceptions, and a very serious "stronghold" is the false name, which the anti-Messiah will use.

Yahusha Messiah's Name is found 219 times in Scripture.

WHAT DO YOU THINK?

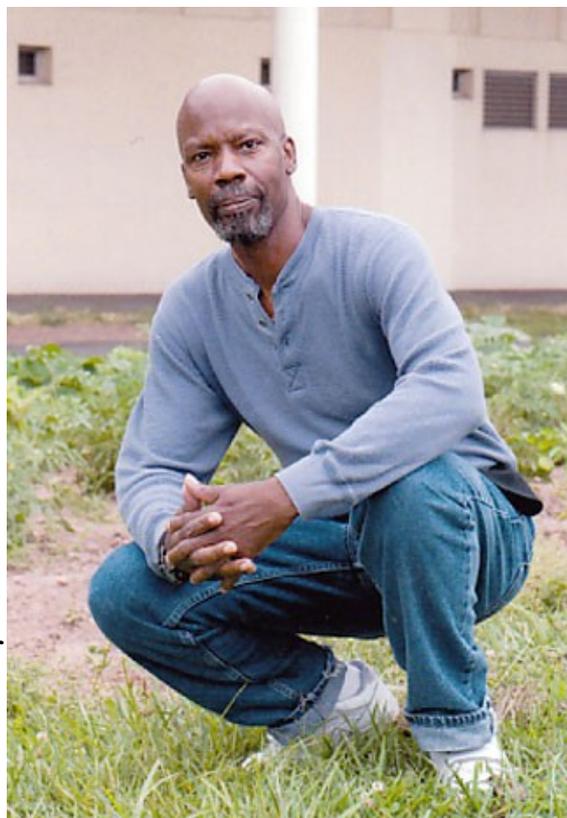

What do you think the King of Kings would say to our world today, and how do you think He would react to our world events?

1. Do you think He'd say to the world at large, "Well done?"
2. Would He be glad about slavery and just say, "Forget about it?"
3. Would He say it's wonderful that we changed the Sabbath to Sunday?
4. Would He say that nuclear waste is fine?
5. Would He say the religious wars are good for His followers?
6. Would He bless the U.S.A. for being the #1 arms dealer on earth?
7. Would He be glad the body of Messiah has split up into endless denominations and sects that bicker over every point, instead of loving each other as He commanded?
8. How about the changes made to the Ten Commandments, the pope deletes the second, and would that be O.K.?
9. What about the time when black slaves were treated less than human, when facts indicate humanity started with blacks?
10. Jesus is the name applied to the Messiah, but His disciples never spoke it because His name is Yahusha (Pronounced Yah-oo-sha).
11. The word we use god, really applies to the Sun in the sky, as it is in ancient times.
12. Today's Israel is folks that adopted the religion of Judaism, and are not blood relatives of Abraham. They are really Khazars of the Caucus Mountain area by the Russian Black Sea.
